

Security Policy

The security of your Personal Information is very important to SalesAgility. We use physical, electronic, and administrative safeguards that are designed to protect your Personal Information from loss, misuse and unauthorized access, disclosure, alteration and destruction.

In addition, SalesAgility uses standard security protocols and mechanisms to exchange the transmission of sensitive data.

In the event that your Personal Information is acquired, or is reasonably believed to have been acquired, by an unauthorized person and applicable law requires notification, SalesAgility will notify you by e-mail. SalesAgility will give you notice promptly, consistent with the reasonable needs of law enforcement and/or SalesAgility to determine the scope of the breach and to investigate and restore the integrity of the data system.
